Special Filming Conditions for Los Angeles County Beaches

MARINA DEL REY

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- Companies filming on a dock or a boat in the Marina will be required to have an LA County Lifeguard for entire time of dock usage.
- If use of maintenance or lifeguard personnel is required, it must be reflected on the permit and call times indicated. ***Lifeguards require 24 hour notice to be hired with a 4 hour minimum requirement. Maintenance also requires 24 hour notice to be hired.*** *A County Lifeguard is required for any filming that occurs on a beach or parking lot after hours (2200-0600 hrs).
